## 1. **Account & Cards.**

(a) **Nature of Account and Card Use.** Comdata will provide Customer with one or more accounts (“Account(s)”) through the use of which Customer may access certain card networks (“Networks”), and the financial information and other Program products and services made available by Comdata under this Agreement. In connection with the Account, Comdata shall provide special Comdata Mastercard Cards®, which may include fleet, purchasing, T&E and multi cards (“Cards”), and which are issued by Fifth Third Bank, National Association, headquartered in Cincinnati, Ohio, or another financial institution (“Issuing Bank”). Comdata is an agent or representative of Issuing Bank or its affiliates. All Cards issued to Customer shall remain the property of the Issuing Bank and must be returned or destroyed (with certification of destruction) upon request. Comdata or the Issuing Bank may cancel, revoke, repossess or restrict the use of Cards at any time. The Bank Identification Numbers (“BINs”) assigned to the Cards are the property of the Issuing Bank. Comdata may limit the amount of Express Comcheks that Customer can issue to an amount less than the available credit for an Account. Certain products, including without limitation cash products such as Comchek, are available only to customers that meet eligibility requirements.

(b) **Customer Representations and Warranties.** Customer represents and warrants the following:

- Customer is either a governmental, non-profit, or commercial enterprise, and the Account and Cards will not be used for personal, household, or consumer purposes;
- the Account and Cards will be used for legitimate business charges only and Customer will have neither consumer law rights nor remedies available to consumers associated with any purchases, charges, or other activity associated with the Cards;
- the Account and Cards will only be used for valid and lawful purposes and will not be used for gambling, online gaming, illicit drug transactions, or any unlawful purposes including without limitation (i) other illegal purchases of goods or services, regardless of whether such transactions violates the laws applicable in the territory where the transaction was initiated or merchant is located, or (ii) purchases that are prohibited by local law;
- the Account and Cards will not be used in any way that would cause Comdata or Issuing Bank to violate applicable law; and

if Customer uses, or allows someone else to use, the Account or Cards in violation of the above representations and warranties, Customer shall be responsible for such use and may be required to reimburse Comdata, the Issuing Bank, and Mastercard International Incorporated (“Mastercard”) for all amounts or expenses Comdata, the Issuing Bank, or Mastercard pays as a result of such use.

(c) **Credit Limit & Security.** Comdata may establish a credit limit for the Account, which is subject to review and adjustment by Comdata in its sole discretion. Customer will provide Comdata with all reasonably requested financial information. Customer consents to Comdata conducting credit investigations and exchanging payment information with credit agencies and credit grantors under Comdata’s credit policy. Customer has submitted a credit application (“Credit Application”) as part of Customer’s application for the Account and Program. Customer acknowledges that Comdata’s establishment of the Account is subject to Comdata’s review and approval of Customer’s Credit Application. Customer represents, warrants, and covenants that all information stated in the Credit Application is truthful and accurate. From time to time, Comdata may request Customer to provide security for the performance when due of Customer’s obligations hereunder. Customer understands and agrees that it is under no obligation to provide Comdata with such security, but the refusal to provide security when requested may result in adverse credit determinations by Comdata. Any security provided shall be in the amount and form as required by Comdata in its reasonable discretion. The Account will not be available to Customer until such security is accepted by Comdata in its sole discretion.

(d) **Access & Unauthorized Use.** Customer’s representatives shall access the Account only as required to administer Customer’s Card program and for no other purpose. Customer is responsible for all purchases and transactions made using Cards, codes, Comcheks®, Express Cheks, passwords, or other security codes and procedures. If Customer or any of Customer’s employees or agents gives a Card to any other person to use or otherwise authorize any person to use the Account, Customer will be responsible for all charges that such person makes on the Account, even if Customer did not anticipate or specifically approve the charges. Customer must notify Comdata in writing if Customer wishes to revoke any permission Customer gave to another person to use the Account. Comdata then will take commercially reasonable efforts to comply with Customer’s instructions to revoke that authority, which may include replacing the Card or Cards or changing the Account.

(e) **Notification of Unauthorized Use; Your Liability.** Customer must notify Comdata immediately if Customer suspects or knows that any of Customer’s Cards is lost or stolen and/or any Card has been used without authorization. Customer also must notify us immediately of any unauthorized use of, or access to, the Account or any passwords or other security codes or procedures used to access the Account or any Comdata’s systems. Customer must provide the above notices to Comdata by calling Comdata at the toll free customer service line shown on the billing statement. Customer acknowledges and agrees that it is liable for unauthorized or fraudulent use of the Account or any Comdata’s systems. Customer understands that it is the Customer’s responsibility to select and apply transaction limitations on the Account/Card and monitor any suspicious and unauthorized activities on the Account. Customer understands that it is liable for unauthorized use of the Account and Cards to the fullest extent permitted by applicable law.

Customer agrees in any event that if at any time Customer has been issued ten (10) or more active Cards at Customer's request, even if Customer does not use all such Cards, Customer will be liable for all unauthorized use of all Cards, and Customer waives any and all limitations of liability for unauthorized use of such Cards.

If Comdata issues fewer than ten (10) Cards to Customer, Customer's liability for unauthorized use of a Card will be limited to the lesser of (a) \$50 or (b) the amount of money, property, labor or services obtained by that unauthorized use. Customer will not be liable, however, for any unauthorized use that occurs after Comdata receives notices as required by this section of this Agreement.

Customer also agrees to assist Comdata in determining the facts, circumstances, and other pertinent information related to any loss, theft, or possible unauthorized use of any Card or Account and to comply with such procedures as Comdata may reasonably require in connection with any investigation.

Notwithstanding the foregoing, Customer understands that Customer remains responsible for any and all misuse and unauthorized use of Cards by Customer's employees or agents. Customer is also liable for all use of a Card or the Account by an employee or agent following termination of employment or agency of such person, until Customer has notified Comdata to cancel the Card and Comdata has had a reasonable opportunity to cancel the Card.

(f) Liability of Acts of Customers, Employees and Agents. Customer agrees to hold Comdata harmless from any and all liability resulting from the acts of any employees or agents of Customer, which acts shall include but are not limited to negligent acts and willful misconduct of such persons, or from the breach by Customer of its obligations under this Agreement. For purposes hereof, any person who is given authorization by Customer to use Cards, Express Cheks, codes, Comcheks®, passwords, or other security codes or procedures shall be deemed an employee or agent of Customer.

**2. Fuel Discount Program.** Comdata may make one or more fuel discount programs available to Customer when Customer uses Cards to purchase fuel at participating merchants. Customer hereby enrolls in all such fuel discount programs made available by Comdata, and further agrees that such Comdata programs shall be the sole fuel discount programs used by Customer in association with the Cards. Comdata reserves the right to suspend, change or terminate any discount program at any time and in any manner in its sole discretion. Changes may include, among other things, changing the benefits, imposing additional restrictions, or terminating the program. In addition, Comdata reserves the right to remove the Account from the discount program in the event of any fraud, abuse, or late payment.

**3. Fees.** Customer shall make payment to Comdata of the full amount due on its Account, plus all applicable fees set forth in the Summary of Rates, Fees, and Other Costs and in the subsections below, in accordance with the billing cycle and payment terms established by Comdata, and any failure to do so is a material breach of this Agreement.

(a) Account Setup Fee. Customer shall pay to Comdata a one-time account setup fee of **\$60.00**.

(b) Membership Fee. There is no Membership fee for this Card.

(c) Card Transactions. Customer shall pay to Comdata a fee of **\$1.00** per Card transaction at Preferred locations. Customer shall pay to Comdata a fee of **\$9.00** per Card transaction at Non-Preferred locations.

(d) Express Comchek. Customer shall pay to Comdata an Express Comchek fee in the amount shown in the Summary of Rates, Fees, and Other Costs per \$500 increment Customer loads to an electronic Express Chek Code.

(e) Late Payment. If Customer does not make full payment of the total amount due by 11:59 p.m. Eastern Time on the due date, then Customer shall pay a late payment fee equal to the greater of: (i) **\$150** or (ii) **13.99%** of the past due portion of the total amount due (excluding any previous late fees and any interest charges for late payment).

(f) Interest Charge for Late Payment. If Customer does not make full payment of the total amount due by 11:59 p.m. Eastern Time on the due date, then Customer agrees to pay an interest charge at a rate equal to **the WSJ Prime Rate plus 4% per annum** times the total amount due (excluding any late fees, previous interest charges for late payment, and partial payments) prorated for the number of days such amount remains unpaid beyond the due date (i.e., 1/365 for each day). In no event will the interest charge rate exceed the maximum rate permitted by applicable law.

#### **4. Payment Terms.**

(a) Account statements shall be available through Comdata's iConnectData self-service web portal. Customer must pay amounts due using a payment method accepted by Comdata; certain payment methods are subject to eligibility requirements and Comdata may specify a particular payment method for Customer. Customer may receive separate invoices by product, service or fee type. All payments made by Customer to Comdata will be applied against the outstanding amount due at the time the payment is received. Subject to applicable law, we will apply and allocate payments and credits among balances owed by Customer (whether for purchases, fees, late interest, or otherwise) in any order and manner determined by Comdata. Unpaid charges and fees become part of the principal obligation for subsequent billing periods.

(b) Disputed Items. Customer must notify Comdata of any disputed item on Customer's Comdata statement within sixty (60) days after the statement date or it will be deemed accepted by Customer. Unless required by law, Comdata is not responsible for any problem Customer may have with any goods or services charged on the Account. If Customer has a dispute with a merchant, Customer must pay Comdata and attempt to resolve the dispute with the merchant prior to sending the dispute to Comdata. If Customer is unsuccessful in resolving the dispute with the merchant, Comdata will attempt to process the dispute through Mastercard subject to the Mastercard rules, as they may be changed from time to time in Mastercard's sole discretion. Comdata is not responsible if any merchant refuses to honor Cards.

(c) Collections. In the event that the Account is turned over to a collection agency or an attorney for collection of unpaid amounts or Comdata otherwise engages an attorney to enforce this Agreement, Customer agrees to pay all costs, fees and expenses of such agency or attorney, including, without limitation, court costs and out-of-pocket expenses.

(d) Comdata Initiated ACH. Customer hereby requests and authorizes the bank identified in the Credit Application, ACH Authorization Form, or verbal ACH authorization to honor ACH debits and credits from Comdata to Customer's bank account. Customer represents, warrants and covenants that Customer's designated bank account for payments was established for business purposes and not for personal or household purposes. Customer agrees that, in respect to each such ACH credit or debit, the bank shall be under no obligation to furnish Customer with any special advice or notice in writing or otherwise of same. Customer agrees to be bound by NACHA Operating Rules. This authority is to remain in effect until revoked by Customer in writing to the bank and Comdata, and until the bank and Comdata actually receive such notice, Customer agrees that the bank shall be fully protected in honoring any such ACH credit or debit. Customer further agrees that if any ACH debit or credit shall be dishonored, the bank shall be under no liability whatsoever. Comdata shall notify Customer of the cutoff days for transactions to be included in the ACH debit. The ACH debit may not occur on this day but Customer's bank should debit Customer's account within 24–48 hours of the selected cutoff day. Customer shall provide prior notice to Comdata if Customer changes its bank and/or account information, and Customer shall, for a period of 48 hours from the time Comdata contacts Customer to confirm such change has been initiated, leave sufficient funds in Customer's existing account to cover any pending ACH debits. Customer shall notify its bank of this ACH authorization and ensure no security restrictions on its bank account prevent the ACH debits and credits.

5. Termination. This contract has no fixed term. Customer may at any time choose to terminate the Agreement and Customer's participation in the Program by calling customer service or providing written notice of the decision to terminate. Customer may not terminate the Cards and retain access to the other Program products and services under this Agreement. Comdata, at any time in its sole discretion, may suspend or terminate any Card, Account, or related service provided to you. Upon termination, Comdata shall have no requirement to make available any systems access or provide Customer with any information related to Customer's use of the Program, and Customer agrees to plan, and remain responsible, for any transition required for Customer to have timely fuel tax filings or satisfy other compliance requirements after termination. Customer will pay all Fees when due and payable under Customer's Account and/or the Agreement, whether or not Customer's participation in the Program is terminated.

6. Limitations of Liability. **Comdata shall not be liable for any failure to perform due to acts of God, acts of government or regulatory bodies which significantly inhibit or prohibit the Program, wars, acts of terrorism, fires, floods, explosions, natural catastrophes, civil disturbances, strikes, riots, unusually severe weather (such as tornadoes), or failures or fluctuations in electrical power, heat, light, air conditioning, computer or telecommunications services or equipment or any other cause not within the reasonable control of Comdata. IN THE EVENT THAT CUSTOMER INCURS ANY LOSS, INJURY, DAMAGES, OR LIABILITY IN CONNECTION WITH THIS AGREEMENT, CUSTOMER SHALL NOTIFY COMDATA OF SUCH LOSS, INJURY, DAMAGES, OR LIABILITY IN WRITING WITHIN THIRTY (30) DAYS OF FIRST BECOMING AWARE OF SUCH LOSS, INJURY, DAMAGES OR LIABILITY. COMDATA'S SOLE LIABILITY, AND CUSTOMER'S SOLE REMEDY, FOR ANY ACTION OR FAILURE TO ACT OR ANY OTHER REASON UNDER THIS AGREEMENT SHALL BE LIMITED TO DIRECT MONEY DAMAGES IN AN AMOUNT NOT TO EXCEED THE TOTAL AMOUNT PAID BY CUSTOMER TO COMDATA WITH RESPECT TO THE DEFECTIVE SERVICE CAUSING THE DAMAGE DURING THE SIXTY (60) DAYS IMMEDIATELY PRECEDING NOTIFICATION. COMDATA SHALL HAVE NO LIABILITY FOR ANY LOSS, INJURY, DAMAGES OR LIABILITY THAT WAS NOT IDENTIFIED TO COMDATA IN WRITING WITHIN THIRTY (30) DAYS OF CUSTOMER'S FIRST BECOMING AWARE OF SUCH LOSS, INJURY, DAMAGES OR LIABILITY. IN NO EVENT SHALL COMDATA BE RESPONSIBLE FOR INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES, REGARDLESS OF WHETHER COMDATA WAS MADE AWARE OF THE POSSIBILITY OF SUCH DAMAGES.**

7. Warranty Disclaimer; Customer Indemnification.

(a) **THE PROGRAM IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT ANY WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED. NEITHER COMDATA NOR ANY PERSON ASSOCIATED WITH THE COMDATA MAKES ANY WARRANTY OR REPRESENTATION WITH RESPECT TO THE COMPLETENESS, SECURITY, RELIABILITY, QUALITY, ACCURACY OR AVAILABILITY OF THE PROGRAM OR ANY PRODUCTS OR SERVICES RELATED THERETO. IT IS EXPRESSLY AGREED AND UNDERSTOOD THAT COMDATA SHALL NOT BE LIABLE TO THE CUSTOMER NOR TO ANY THIRD PARTY FOR ANY LOSS OR DAMAGE (I) ARISING OUT OF FAILURE OF CUSTOMER TO MAINTAIN DATA RECORDS AS REQUIRED UNDER APPLICABLE STATE AND FEDERAL LAWS, RULES AND REGULATIONS, INCLUDING WITHOUT LIMITATION IFTA AND IRP REGULATIONS, (II) ARISING OUT OF ANY ACT OR OMISSION OF CUSTOMER (OR CUSTOMER'S EMPLOYEES, AGENTS, REPRESENTATIVES, OR VENDORS (E.G., GPS VENDOR)), INCLUDING WITHOUT LIMITATION THE PROVISION OF ACCURATE INFORMATION, DATA AND/OR RECORDS TO COMPLETE ANY FORMS, TAX RETURNS OR OTHER DOCUMENTS OR TO PROCESS ANY PAYMENT DUE HEREUNDER, OR (III) OTHERWISE ARISING IN CONNECTION WITH THE PROGRAM. COMDATA MAKES NO REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE.**

**(b) CUSTOMER SHALL INDEMNIFY AND HOLD COMDATA HARMLESS OF AND FROM ANY AND ALL LIABILITIES RESULTING FROM ANY ACT OR OMISSION BY ANY OWNER, EMPLOYEE, OR AGENT OF CUSTOMER, INCLUDING BUT NOT LIMITED TO, ACTS OF COMMISSION OR OMISSION DEEMED TO BE WILLFUL OR NEGLIGENT.**

**8. Confidentiality.** Customer agrees and covenants that it shall not, during the performance of this Agreement or at any time after the termination or expiration hereof, use or disclose to any third party other than during the proper performance of their duties hereunder, the confidential and proprietary information of Comdata (“Confidential Information”), including but not limited to the rates, terms, and conditions of this Agreement, technical information; transaction information; or any of the procedures, practices or confidential dealings of the other party hereto. The foregoing shall not apply to a disclosure required by law provided if a subpoena or court order compels disclosure, Customer will (unless lawfully prohibited) immediately notify Comdata and cooperate to limit disclosure to the extent required by law. Customer acknowledges and agrees that the application software developed, utilized and maintained by Comdata, the internal hardware utilized by Comdata, the internal operating procedures employed by Comdata, technical information, such as file record layouts, and transaction information, including without limitation Comdata card numbers and data gathered at the point-of-sale by Comdata, are Confidential Information and the exclusive and proprietary property of Comdata.

**9. Right of Setoff.** Comdata shall have the right to setoff and apply any amounts owing by Comdata to Customer against any amounts owing from Customer to Comdata pursuant to any Agreement between Comdata and Customer or any amounts in the possession of or under the control of Comdata.

**10. Monitoring and/or Recording Communication.** Customer understands and agrees that Comdata may in its discretion, but is not obligated to, monitor and/or record any telephone calls by Customer or its employees and/or agents without any further notice for quality control purposes and for its own protection. Comdata may also monitor, record, and/or make a record of any other communications between Customer or its employees and/or agents and Comdata without any further notice, and Comdata may use the resulting information for internal purposes or as may be required by applicable law. Customer hereby consents to Comdata’s monitoring and/or recording of any telephone calls and communications with Customer or its employees and/or agents. Customer acknowledges and understands Comdata may not record all telephone calls or communications, and Comdata does not guarantee that recordings of any particular telephone calls or communications will be retained or be capable of being retrieved.

**11. Provider of Services.** “Comdata” means Comdata Inc., a Delaware corporation and one or more of its subsidiaries designated by it to provide the applicable services hereunder, including, without limitation, Comdata Network, Inc. of California, the licensed money transmitter in the State of California, to provide licensed money transmission services to customers with a billing address in California, and Comdata TN, Inc., a licensed money transmitter/check seller in other states, to provide such services to customers with billing addresses in those states. Customer hereby agrees that for Accounts with a billing address in the State of California, all Comcheks that are used are issued by Comdata Network, Inc. of California regardless of the name of the issuer printed on the Comchek paper instrument.

**12. Government Regulation.** To help the government fight the funding of terrorism and money laundering activities, federal law requires Comdata to obtain, verify, and record information that identifies Customer and, where applicable, owners of 25% or more of Customer, persons with significant management responsibility of Customer, (and any guarantor or co-maker) (collectively “Beneficial Owners”) as part of initial and on-going customer review processes. Therefore, Comdata may, at Comdata’s option, require Customer to provide various identifying information that will allow Comdata to properly identify Customer and Beneficial Owners, which may include but not be limited to name, address, taxpayer identification number, and other information. Customer represents and covenants that Customer and each Beneficial Owner (a) is not currently and shall not become subject to any law, regulation or list of any government agency (including, without limitation, the U.S. Office of Foreign Asset Control list) that prohibits Comdata from making any advance or extension of credit to Customer or from otherwise conducting business with Customer, and (b) Customer shall provide to Comdata, when requested, documentary and other evidence of Customer’s identity or the identity of each Beneficial Owner and any person to whom Customer provides a Card, so that Comdata may comply with any applicable law or regulation or Comdata’s AML Policy.

**13. Customer Compliance.** Customer shall be bound by and comply with all applicable laws and regulations (“applicable law”) and all payment network rules, guidelines, requirements, and prohibitions (“network rules”) regarding Customer’s use of the Account and Card(s). Customer shall permit Comdata to reasonably investigate or audit Customer’s compliance with applicable law and network rules regarding Customer’s use of the Account and Card(s).

**14. Modifications to this Agreement.** Customer may not modify this Agreement. In addition to Comdata’s rights under Sections 1, 2 and 3, Comdata may change or replace any or all terms of this Agreement at any time, including, without limitation, in the event of any future changes to applicable law or network rules, or the interpretations thereof, by sending Customer notice of any such change at least thirty (30) days prior to the effective date of the change, unless a shorter notice period is required by applicable law or network rules. Retention or use of the Account after the effective date of any such change will constitute acceptance of the new terms.

**15. Notices; Customer Contact.** Except as set forth herein, all “notices” must be in writing. In addition to the foregoing, any notice or communication from Comdata to Customer may be provided by email or other electronic means. **Customer agrees to keep the primary email address associated with the Account up to date at all times. Any notices sent by Comdata to such email address associated with Customer’s Account shall be deemed properly delivered.** Customer

consents to Comdata's (including Comdata's affiliates') contacting Customer and Customer's employees concerning Comdata's and its affiliates' products and services. Customer hereby consents that the means of such contact may include phone calls and/or SMS messages (including through the use of autodialer technology) to Customer and Customer's employees mobile or home phone numbers, to the extent such are provided to Comdata and its affiliates'.

**16. Governing Law; Waiver of Jury Trial; Binding Arbitration.**

(a) This Agreement shall be exclusively governed by the laws of the State of Tennessee without regard to the choice of law rules of such state.

(b) You or Comdata may, without the other's consent, elect mandatory, binding arbitration for any claim, dispute, or controversy between or among such parties arising from or in any way relating to the Cards or Account, a prior related account, or the relationship of such parties, including without limitation claims regarding the application, enforceability, or interpretation of this Agreement and this arbitration provision, and no matter what legal theory such claims are based on or what remedy (damages, or injunctive or declaratory relief) such claims seek (a "Claim"). The party filing for arbitration must choose one of the following arbitration firms and follow its rules and procedures for initiating (including paying the filing fee) and pursuing arbitration before a single neutral arbitrator: American Arbitration Association, National Arbitration Forum, or JAMS. All other fees will be allocated as provided by the rules of the arbitration firm and applicable law.

**Can I assert or participate in a class action?** To accommodate the right to arbitrate, you agree that you will neither assert, nor participate in, a class action or other representative action or proceeding related to this Agreement, the Account, the Cards or any other aspect of your relationship with Comdata. Claims must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis.

**Who can be a party?** The arbitrator will not award relief for or against anyone who is not a party. If you or we require arbitration of a Claim, neither you, we, nor any other person may pursue the Claim in arbitration as a class action, private attorney general action or other representative action, nor may such Claim be pursued on your or our behalf in any litigation in any court. Claims, including assigned Claims, of two or more persons may not be joined or consolidated in the same arbitration. However, applicants, co-applicants, authorized users on a single account and/or related accounts, or corporate affiliates are here considered as one person.

**What Claims are subject to arbitration?** All Claims relating to your Cards or Account, a prior related account, or our relationship are subject to arbitration, including Claims regarding the application, enforceability, or interpretation of this Agreement and this arbitration provision. All Claims are subject to arbitration, no matter what legal theory they are based on or what remedy (damages, or injunctive or declaratory relief) they seek. This includes Claims based on contract, tort (including intentional tort), fraud, agency, your or our negligence, statutory or regulatory provisions, or any other sources of law; Claims made as counterclaims, cross-claims, third-party claims, interpleaders or otherwise; and Claims made independently or with other claims. A party who initiates a proceeding in court may elect arbitration with respect to any Claim advanced in that proceeding by any other party. Claims and remedies sought as part of a class action, private attorney general or other representative action are subject to arbitration on an individual (non-class, non-representative) basis, and the arbitrator may award relief only on an individual (non-class, non-representative) basis.

**Whose Claims are subject to arbitration?** Not only ours and yours, but also Claims made by or against anyone connected with us or you or claiming through us or you, such as a co-applicant or authorized user of your account, an employee, agent, representative, affiliated company, predecessor or successor, heir, assignee, or trustee in bankruptcy are subject to arbitration.

**What time frame applies to Claims subject to arbitration?** Claims arising in the past, present, or future, including Claims arising before the opening of your account, are subject to arbitration.

**Broadest interpretation.** Any questions about whether Claims are subject to arbitration shall be resolved by interpreting this arbitration provision in the broadest way the law will allow it to be enforced. This arbitration provision is governed by the Federal Arbitration Act (the "FAA").

**What about Claims filed in Small Claims Court?** Claims filed in a small claims court are not subject to arbitration, so long as the matter remains in such court and advances only an individual (non-class, non-representative) Claim.

**How does a party initiate arbitration?** The party filing an arbitration must choose one of the following three arbitration firms and follow its rules and procedures for initiating and pursuing an arbitration: American Arbitration Association, JAMS, and National Arbitration Forum. Any arbitration hearing that you attend will be

held at a place chosen by the arbitration firm in the same city as the U.S. District Court closest to your then current billing address, or at some other place to which you and we agree in writing. You may obtain copies of the current rules of each of the three arbitration firms and forms and instructions for initiating arbitration by contacting them as follows: American Arbitration Association, 335 Madison Avenue, Floor 10, New York, NY 10017-4605 Web site: [www.adr.org](http://www.adr.org); JAMS, 1920 Main Street, Suite 300, Irvine, CA 92610 Web site: [www.jamsadr.com](http://www.jamsadr.com); National Arbitration Forum, P.O. Box 50191, Minneapolis, MN 55405 Web site: [www.arbitration-forum.com](http://www.arbitration-forum.com). At any time you or we may ask an appropriate court to compel arbitration of Claims, or to stay the litigation of Claims pending arbitration, even if such Claims are part of a lawsuit, unless a trial has begun or a final judgment has been entered. Even if a party fails to exercise these rights at any particular time, or in connection with any particular Claims, that party can still require arbitration at a later time or in connection with any other Claims.

**What procedures and law are applicable in arbitration?** A single, neutral arbitrator will resolve Claims. The arbitrator will be either a lawyer with at least ten years of experience or a retired or former judge, selected in accordance with the rules of the arbitration firm. The arbitration will follow procedures and rules of the arbitration firm in effect on the date the arbitration is filed unless those procedures and rules are inconsistent with this Agreement, in which case this Agreement will prevail. Those procedures and rules may limit the discovery available to you or us. The arbitrator will take reasonable steps to protect your account information and other confidential information if requested to do so by you or us. The arbitrator will apply applicable substantive law consistent with the FAA and applicable statutes of limitations, will honor claims of privilege recognized at law, and will have the power to award to a party any damages or other relief provided for under applicable law. You or we may choose to have a hearing and be represented by counsel. The arbitrator will make any award in writing and, if requested by you or us, will provide a brief statement of the reasons for the award. An award in arbitration shall determine the rights and obligations between the named parties only, and only in respect of the Claims in arbitration, and shall not have any bearing on the rights and obligations of any other person, or on the resolution of any other dispute.

**Who pays?** Whoever files the arbitration pays the initial filing fee. If we file, we pay; if you file, you pay, unless you get a fee waiver under the applicable rules of the arbitration firm. If you have paid the initial filing fee and you prevail, we will reimburse you for that fee. All fees will be allocated as provided by the rules of the arbitration firm and applicable law. However, we will advance or reimburse your fees if the arbitration firm or arbitrator determines there is good reason for requiring us to do so, or if you ask us and we determine there is good reason for doing so. Each party will bear the expense of that party's attorneys, experts, and witnesses, and other expenses, regardless of which party prevails, but a party may recover any or all expenses from another party if the arbitrator, applying applicable law, so determines.

**When is an arbitration award final?** The arbitrator's award is final and binding on the parties unless a party appeals it in writing to the arbitration firm within fifteen days of notice of the award. The appeal must request a new arbitration before a panel of three neutral arbitrators designated by the same arbitration firm. The panel will consider all factual and legal issues anew, follow the same rules that apply to a proceeding using a single arbitrator, and make decisions based on the vote of the majority. Costs will be allocated in the same way they are allocated for arbitration before a single arbitrator. An award by a panel is final and binding on the parties after fifteen days has passed. A final and binding award is subject to judicial review and enforcement as provided by the FAA or other applicable law.

**Survival and Severability of Terms.** This arbitration provision shall survive: (i) termination or changes in the Agreement, the account, or the relationship between you and us concerning the account; (ii) the bankruptcy of any party; and (iii) any transfer, sale or assignment of your account, or any amounts owed on your account, to any other person or entity. If any portion of this arbitration provision is deemed invalid or unenforceable, the remaining portions shall nevertheless remain in force. Any different agreement regarding arbitration must be agreed to in writing.
